My dear General,

I have great pleasure in acknowledging your letter dated 7 Jan 80.

2. You would, by now, have received a 'thanking letter' from the Commandant, Lt Gen WAG Pinto, PVSM.

3. I would request you to send your Crest at your early convenience so that it can be fixed on the book-case containing your gifts of books.

4. I am happy to inform you that the Chinese vase arrived in tact at the College.

With profound respects
Yours Sincerely
Bhimaya
